# Risk Assessment

Risk assessment are to be conducted on all areas of the nursery including, rooms, activities, outdoor areas, resources and cleaning equipment. Appropriate protection is worn at all times.

Miss Lindsey Porter together and senior staff members are responsible for the daily inspections both outdoors and indoors. All equipment and areas will be checked thoroughly by staff before children access the area. These checks are recorded in each room and initialled by the staff responsible. All unsafe areas will be rectified by this member of staff to ensure the safety of children, if this cannot be achieved the manager must be notified immediately.

Children are supervised when using the outdoor play equipment and the area is checked for rubbish, glass etc.
