Staff Ratios

This outlines the approach the nursery takes to their staff: child ratio.

Ratios 1:3 3months 2years
1:4 2years to 3years
1:8 3years to 5years

The nursery will comply with Ofsted guidelines and we are regularly inspected.

Example of the Daily Routine

8am Nursery Opens
Children welcomed to their rooms

9am Breakfast

Each room plans activities that are appropriate to the age and development of the children. - See individual room planning sheets, highlighting children's interests.

11.30 Lunchtime

12.30 – 1.30 Nap time for over one's

Afternoon activities continue.

3.00 Teatime

Around this time the children begin to go home, so they usually have quieter activities at this time.

6pm Nursery Closes

Staff work a variety of shifts between these hours. The daily routine is very flexible and is adapted for each child, i.e. a child may only want their lunch at 12.30 etc, especially the younger babies who also have bottles of milk and have different sleep patterns to the older children.
